Billing information

The fee for admission procedure:

Fee for admission procedure for FAFR is **33, - Eur**. Proof of payment must be attached to the application.

The fee depends on what form of application you choose, either:

The electronic application – cashless payment according to the instructions provided in the electronic application

the classic application (paper form that you have purchased or received in school, etc.) - we recommend the most appropriate methods of paying fees through internet banking or bank transfer, do not pay by postal money order.

For realization of payments through internet banking or bank transfer, you need the following data:

- Bank account number: 7000066247/8180
- IBAN: SK4081800000007000066247
- Constant symbol (KS) 0558
- Variable symbol (VS) 102900
- Specific symbol (SS) 102 900 721
- Message for recipient - surname and name of the candidate of study (without diacritic).

- **For the execution of payments for a fee from other EU countries** need the following information:

- Bank account number: 7000066247/8180
- IBAN: SK4081800000007000066247
- BIC / SWIFT code: SPSRSKBA
- the name and address of the bank: State Treasury, Radlinského 32, 810 05 Bratislava
- Constant symbol (KS) 0558
- Variable symbol (VS) 102900
- Specific symbol (SS) 102 900 721
- Message for recipient - surname and name of the candidate of study (without diacritics).

IMPORTANT: Fill out payment order carefully to avoid those potential problems with identification of your payment.

ACCEPTANCE CONDITIONS Candidates have to have a Master degree obtained from a similar study programme. The admission exam is carried out for the candidate to prove the following:

- The admission interview serves for the candidates to prove their knowledge from their respective area of expertise via an oral exam associated with the topic of the dissertation thesis.
- Foreign language examination via a written test. The candidates may choose from 5 foreign languages. Advanced language proficiency is required.
- Accompanying activities, including grade average during graduate studies (not higher than 2.0), scientific activities (participation at student conferences, publications, etc.) or the involvement in the solution of pressing social topics will be strongly taken into consideration.

ADDITIONAL INFORMATION Study fees associated with the students admitted within international agreements are to follow the regulations as per the specific agreement

ADMISSION EXAM

- Oral exam covering a technical subject.
- Written test covering a foreign language of choice
