(eKolok can be purchased at branches of the Slovak Post)
- h) **other documents**, if necessary to assess the equivalence of the document on education (*a copy without a notarial certificate and a certified translation into the Slovak language*).

According to § 33 of the Act, within the process of recognition of documents on education issued by a recognized foreign higher education institution for the purposes of continued study, **SUA assesses the fulfilment of the conditions for a decision on their recognition by comparing the relatedness of study programs in the same or related fields of study.**

SUA shall review the application within the period of 30 days after the delivery of the complete application. If the application does not have the required particulars, the procedure will be interrupted

and the applicant will be invited to complete the missing documents or remedy the deficiencies of the application within the period of 30 days after the delivery of the call.

SUA shall decide on the recognition of the document on education within two months from the delivery of the complete application according to § 33, sec. 2 and 3 of the Act.

SUA can decide on

- a) **recognition of a document on education** (*if the conditions are met, SUA will issue a decision on the recognition of a document on education* equivalent to a document on education issued at a university stating that *it is not a document of recognition of professional qualifications*),
- b) **refusing an application for recognition of a document on education** (SUA *shall reject an application* for recognition of a document on education after finding out that *the document on education submitted by the applicant cannot be recognized as equivalent to a document on education issued at SUA*),
- c) **prescription of a differential exam** (*if the education* proved by the applicant *is at least one year shorter* than the comparative education at the SUA, *or* the applicant's educational content *lacks knowledge or skills* such as the comparative knowledge or skills in the same or related fields of study at the university, SUA *decides on the prescription of a differential exam*. After the realization of a differential exam SUA decides on the recognition of the document on education).

Academic title

The decision on the recognition of a document on education for the purposes of continued study **entitles the applicant to use** at the territory of Slovak Republic **the academic title and its abbreviation in the form in which it was granted under the national regulations of the state in which the document was issued and in the language of that state.**

Note: *When deciding on the recognition of a document on education the academic title and its abbreviation are not written in the Slovak language but in the language of the country of origin.*

If on the document on education there is stated no academic title but a professional title or professional qualification, the decision on recognition of a document on education shall not include any title or abbreviation.
