

Bioenergy Research Centre

Department of Sustainable Development

Department of Ecology

under the auspices of the Dean of the Faculty of European Studies and Regional Development
at the Slovak University of Agriculture

Prof. Anna Bandlerová

cordially invite you to the International Scientific Conference

**FAST-GROWING TREES AND PLANTS GROWING
FOR ENERGY PURPOSES**

*(new knowledge on ecophysiology, ecology, economy, energetics, environmental
science, legislation and technology)*

September 10th 2015 in Nitra

1st Circular

The aim of the international conference will be to assess research results in the field of fast-growing trees and plants as alternative energy sources and point out local energetics perspectives, energy, economic and legislative actions, scenarios on the impact of the growing on biodiversity, changes in a landscape and environment. The international scientific conference is intended for university teachers, researchers, practitioners, PhD. students, as well as the scientific public.

Scientific Committee

Prof. Zuzana Jureková – SUA in Nitra, Slovakia

Prof. Gordana Dražić – “SINGIDUNUM” Univ. Belgrade

Prof. Ján Gaduš – SUA in Nitra, Slovakia

Prof. Dušan Húska – SUA in Nitra, Slovakia

Organizing Committee

Martin Prčík

Daniela Halmová

Martin Hauptvogel

Lýdia Končeková

Marián Kotrla

Further information

Martin Hauptvogel, PhD. – phone: +421 37 641 5627, email: haupto@gmail.com

Location: SUA Congress Centre, Tr. Andreja Hlinku 38, Nitra

Subscription and abstract submission deadline: April 17th, 2015

Payment fee deadline: June 12th, 2015

Registration fee: 40 €

20 € (undergraduate students and PhD. students)

The registration fee includes peer-reviewed conference proceedings on CD-ROM, printed abstract proceedings and/or scientific journal, lunch and refreshments. In case of more interest, an excursion to the research base in Kolíňany (plantation of fast growing trees and plants) will be organized.

Papers

Papers may be written in Slovak, Czech and English language. The maximum length of the paper is 6 pages. The selected papers will be published in the scientific journal ***Acta Regionalia et Environmentalica*** (in English language).

The papers should be sent to: martin.prcik@gmail.com

Paper submission deadline: June 12th, 2015

Instructions for authors

Text format: text editor Microsoft Word 03–10 (*.doc)

Margins: 2.5 cm; Line spacing: single; Font style: Times New Roman

PAPER TITLE IN THE ORIGINAL LANGUAGE OF THE PAPER

(14pt, upper case, bold, centred, skip one line)

PAPER TITLE IN ENGLISH

(14pt, upper case, bold, centred, skip one line)

NAME SURNAME¹, NAME SURNAME²

(12pt, small capitals, centred, skip one line)

¹Author-Workplace-Name

²Author-Workplace-Name

(12pt, centred, skip one line)

Abstract

in English (11pt, justified paragraph, without indenting, max. 1000 characters)

Keywords:

in English, up to 6 keywords (11pt, justified paragraph, without indenting)

Introduction

Material and methods

Results and Discussion

Conclusions

(12pt, justified paragraph)

Acknowledgements

in the original language of the paper (12pt, without indenting)
