

# Almond Vocational Link

Almond Vocational Link is a professional Company, which works with the European funded programme of the Long Life Learning Programme Leonardo da Vinci Mobility, Erasmus and Comenius.

**"We help you realize your ambitions!"**

Our Company is based in the South Western region of the United Kingdom in the rapidly expanding Cities of Exeter and Plymouth that can offer a variety of work placements in many sectors to gain a valid work experience within another culture.

Almond Vocational Link offers the following services: -

- Professional Work placement in all sectors.
- Accommodation with English Host Family (Home stay).
- Supervision whilst in your work placement overseen by Almond Vocational Link.
- English Language Training by highly qualified and experienced teachers.
- 24 Hour Emergency cover whilst in the U.K.
- Planned Cultural Programme to suit any budget requirements. (Optional)
- Certification of your placement by Almond Vocational Link.
- Assistance in obtaining Europass.
- Final evaluation and reports.
- Arrange transfers from airports.
- Local bus passes.

Why choose the South West region of the United Kingdom?

- Friendly and hospitable people.
- An area of great Cultural history and of outstanding beauty.
- Great Night Life for students in Exeter and Plymouth.
- High standard of training.

What do Companies expect from their students?

- An intermediate level of spoken English.
- Each candidate should have academic training, working knowledge, or experience in the field requested.
- Students should follow the terms and conditions of the work experience programme.
- Students should be self-motivated, responsible and of good character who are serious about their commitment and responsibility to the Host Company.
- Companies expect an active contribution in the running of the business.

Almond Vocational Link offers a comprehensive service and assists promoters in the preparation and application of their projects.
